[intro] [Am] [C] [G] [D] [4x]

[Am] [C] [G] [D]
I love rock and roll
My heart and my soul
It’s on the streets
In the people I meet

[R] [C] [Am]
Yeah I live for rock and roll
Live it every day
Yeah I live for rock and roll
Live it every way
[A#] [C] [G] [D] [4x]

I love rock and roll
My heart and my soul
I’m feeling the heat
From that pounding beat [R]

I love rock and roll
My heart and my soul
Music so sweet
Got me movin’ my feet [R]

I love rock and roll
My heart and my soul
There’s no other way
I just have to play [R]

[A#]
